Part of the BSB Chamber Foundation Leadership Program is a commitment to facilitate one session of the next class. Your facilitators of the above sessions graduated from the 2017-2018 class and are excited to share what they learned with you.

Final Session of the Leadership Program is where you will put your Leadership skills to work. The Class is responsible for hosting Leadercast - a day long inspirational event. Your class will break into committees to market the event, provide the hospitality (breakfast, lunch and snacks during the day), facilitate the day and provide the IT back up for the day. You will be responsible for getting sponsors or items donated. Your Class Sponsors will be there to guide you through the process.
